

A140 ROTATING HAND STRAP WITH KICK STAND

FEATURES & BENEFITS

This wearable A140 Rotating Hand Strap allows you to carry your tablet in the palm of your hand. The hand strap is adjustable to fit virtually all hand sizes and it could be converted to a used-anywhere kickstand providing comfortable viewing and editing. When docking the A140 to the trolley dock (office dock), the A140 Rotating Hand Strap needs to be removed.
