

V110- BATTERY 3-CELL (2100 MAH)

FEATURES & BENEFITS

For mobile workers who need always-on performance, spare batteries may still be needed for extended use in the field. This battery pack is only compatible with the V110 and is hot-swappable for easy installation and replacement. On the exterior side of the battery pack is a battery charging indicator. You can press the push-button to see the number of LEDs that light up. Each LED represents 20% power charged.

Product Information

Battery Type : Li-ion

Voltage : 11.1V

Capacity : typical 2100mAh ; min. 2040mAh

Dimensions : L 130.42 x W 70 x H 10.06 mm

Weight : 150 g

SKU ID

GBM3X1
